JUNE AT THE CENTER:

- **SUMMER/VACATIONS/
RISKS**

Identity theft is on the rise. One out of four has already been affected. Are you at risk? The truth is we are all at risk. If it should happen to you, then what do you do?

Take time to learn ways to protect yourselves from Identity Theft and scammers while away or at home. To help you with this very important clear and present risk, a representative from Country Bank, who is conversant with these issues, will be present at the drop-in center to give us the most up to

date information that we should know. We have gotten several calls at the Sr. Center this year asking about scams, so we hope that many of you will attend this presentation on Tuesday June 13 at 10:30 a.m. Everyone who attends will have his/her name entered into a drawing for a \$25 gift card kindly donated by Country Bank. Take advantage of this opportunity to become educated and aware.

As usual, lunch will be served at the Back Door Café at 11:45 a.m. Everyone is welcome to join us, but we need a two day advanced reservation by calling Jan at 508-882-5251.

Don't forget – scammers target Senior citizens!!

Important thought: Setting up a joint account essentially removes the financial firewall between both parties named on the account. There are often safer alternatives available that will protect the assets of the senior customer as well as those of financial caregivers. These include “view only” accounts, financial powers of attorney and a “payable upon death” notice on the account.

• **STUDENT VOLUNTEER RECOGNITION PICNIC:**

The project Create students of the Oakham Center School invite all seniors to attend their annual picnic to be held on **Wednesday, June 14, 2017** outside (weather permitting) at the Back Door Cafe at 11:30 a.m. These are the same students who have been volunteering their time every Tuesday throughout the school year at the Back Door Cafe. This picnic will give us the opportunity to thank them for their assistance and to wish them a safe and happy summer vacation. Each student will receive a Certificate of Appreciation from the Council on Aging to recognize his/her good work.

We encourage Oakham seniors to show **support and appreciation** for their efforts. The members of the class, along with their teacher, Karen Melanson, prepare the lunch which consists of a turkey or ham sandwich with lettuce/tomato/cheese/pickle. Also included is a bag of chips, a beverage and a dessert.

Won't you join us? Please call in your reservations as soon as possible or sign up at the Senior Center. See you there!

JUNE 18- HAPPY FATHERS' DAY TO ALL OUR DADS

- **BEMIS FARMS NURSERY**

On Tuesday, **June 20, 2017** Tina Bemis of the Bemis Farms Nursery will be at the Back Door Café at 12:30 p.m. to help us create an eye-catching patio pot arrangement that will grow and bloom throughout the summer and well into the fall. For a fee of **\$10** per person per pot, everyone will get a pot, the soil with which to fill it, at least 6 or 7 healthy plants – a filler, a thriller a chiller and a spiller – for each pot plus a special touch. If this class were held at the nursery each of us would pay \$39. This is a super program that we are happy to provide for you. Reservations are necessary on or before June 13, 2017. We need a minimum of 15 participants for the class to be held. Call 508-882-5251 to register.

This class is returning due to popular request. It has been a great success in the past few years.

- **PEN PALS**

The Senior pen pals participated in a delightful meet-and-greet with their secret fourth grade partners. We were met in the entrance hall by our pen pals and escorted to the cafetorium where we had an opportunity to speak one-on-one with our correspondent and enjoyed a well- practiced presentation that starred every student. The final event was the ever popular sharing of a delicious ice cream sundae social. This has always been such a

wonderful experience for all those who participate and we hope that the program will be able to continue in the next school year. In order to do that, we need senior volunteers who would be willing to respond to three letters from the students throughout the year. Please contact Jane Pease at 508-882-0040 if you would like to join in this educational and fun effort.

We would like to thank all of this year's volunteers. It was a great program once again and the students were very enthusiastic about receiving letters of their own. It doesn't happen very often to them in this day and age. Let's keep this pathway open for them☺.

- **STATE SENATOR**

Anne Gobi's aide Tyler Wolanin will be present at the Back Door on the fourth Tuesday of each month from 9:30a.m.-10:30 a.m. Anyone who has questions, concerns, or suggestions for the Senator is welcome to come and speak with Tyler. He will get you answers and relay your thoughts to the senator.

- **FLAG DAY**

Did you remember that June 14 is celebrated as Flag Day in the U.S.? Please display your flag proudly on this day.

Did you know that the idea of an annual day just for celebrating the flag was begun in 1885 by BJ Cigrand, a schoolteacher in Wisconsin? Over the next three decades, other teachers planned ceremonies for their students. Then the idea caught on by several organizations until, finally, inspired by these local celebrations, Flag Day – the anniversary of the Flag Revolution of 1777- was officially established by the Proclamation of President Woodrow Wilson on May 30, 1916. It was not, however, until August 3, 1949, that President Harry Truman signed an Act of Congress designating June 14 of each year as National Flag Day.

- **FUTURE EVENTS**

TOWN WIDE YARD SALE

☺ HELP NEEDED ☺

The Council on Aging will be participating in the annual town wide yard sale again this year scheduled for Saturday, August 26. To make this event worthwhile and successful we are asking for support and help from our readers. We need many gently used items to sell (no books, coins, large

appliances, jewelry, please). Items may be left at the garage on 16 Flint Rd. at the home of Claudia Lacerte. Let her know when you come by calling 508-882-5269 any day up to August 24. After that, bring your items to the Senior Center.

We also need help on the Thursday and Friday prior to the yard sale 12:30 p.m.-3:00p.m. for setting up and bringing items from Claudia's garage to the Senior Center. And, we need help from people willing to bake some items as squares, cookies, brownies, etc. that we can sell with our lunches for dessert and morning snacks with coffee.

We open for business on the yard sale day around 7:45 a.m. and close at 3:00 p.m., so we need helpers to sell items from the floor and to help box all unsold items for removal from the site. Any time that you give us would be extremely appreciated. Please let us know what you can do to assist. Thank you.

OAKHAM HISTORICAL ASSOCIATION

On Wednesday, June 14, 2017 the OHA will host a presentation by clock historian and appraiser Robert Cheney of Skinner, Inc. He will trace the trade of handcrafting mechanical clocks in the early 18th century to the birth of the Connecticut clock making industry about 1825. Overcoming poor training, war, and trade embargos,

which caused a total lack of suitable raw materials, the New England clockmaker overcame these difficulties and produced the most complicated object in the 18th century home. Mr. Cheney is a 3rd generation clockmaker and is currently Director of clocks, Watches, and Scientific Instruments at Skinner, Inc. He has made numerous TV appearances including the PBS Antiques Roadshow and is the author of numerous articles and reviews. The talk will be held at the Oakham Historical Museum, 1221 Old Turnpike Rd. Guests will have the chance to see and hear the antique William Crawford clock, now a part of the Museum's collection. The event is free and all are welcome. Refreshments will be offered. Contact Linda Housman at 508-882-3990 for more information.
